Proofreader/Healthcare Interpreter

Mayari Carter is a native Spanish speaker born and raised in Guatemala City. Her clinical nutrition background serves her well when translating or proofreading technical health-related language and terminology. Her experience with patients in the Hispanic community and her work as nutritionist for clinics and government-backed programs has led her to translate and interpret on a daily basis. Her excellent command of both languages makes her a vital member of the Lexico team. She specializes in proofreading of medical documents and nutrition/diet books in Spanish.

Mayari graduated with a Bachelor of Science degree in Nutrition from Universidad Francisco Marroquin in Guatemala City. She currently resides in California and freelances as a Spanish/English translator, proofreader, and healthcare interpreter.
